

- Luggage racks designed for **STADLER KISS L-4533 project**
- Its design is based on combination of both AL profiles and AL sheet parts with anodised surface treatment. All the brackets (mechanical interfaces to the car body) are made from stainless steel.

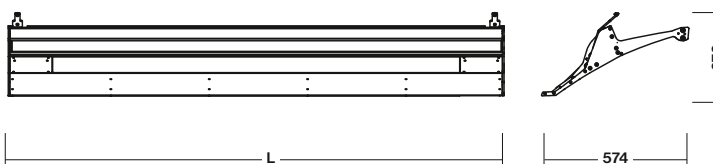

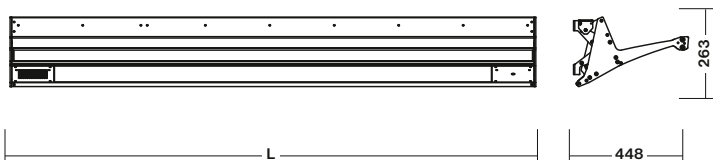

The shelf is made from safety glass 4mm PLANIBEL GREY

- It is equipped with all:
  - LED lighting 4000K, dimmable
  - Speakers
  - Smoke detectors
  - Cameras
- Complies with
  - UIC566
  - EN12663-1 categ. P-II
- Tieto batožinové nosiče boli navrhnuté pre projekt **STADLER KISS L-4533**
- Dizajn je založený na kombinácii AL profilov a AL plechových dielov z povrchovou úpravou eloxovaním. Nosné prvky (konzoly pre montáž na rám vagóna) sú vyrobené z nerezového materiálu.
- Ložná plocha pre batožinu je z bezpečnostného skla 4mm PLANIBEL GREY
- V nosiči sú integrované:
  - LED osvetlenie 4000K, s funkciou stmievania
  - reproduktory
  - dymové senzory
  - kamery
- Splňa normy
  - UIC566
  - EN 12663-1 kategorie vozu P-II
